What is assessment? Assessment is a way of finding out if learning has taken place. It enables you to ascertain if your learner has gained the required skills, knowledge, understanding and/or attitudes and behaviours needed at a given point in time, towards their programme of learning.

Assessment - Ann Gravells Ltd (UK)
The Education and Training Foundation commissioned a range of education providers throughout 2014 – 15 to create a set of ‘how to’ guides for the standards. The full set of documents can be downloaded from the Excellence Gateway. The teaching Professional Standards were written following an extensive review and consultation period across the Education and Training sector.

Professional Standards for FE Teachers
Getting started To offer OCR on-screen tests, you need to become approved and then set up to use the on-screen test system, Surpass: To become an approved centre, complete the vocational qualification approval form. Once approved, for Functional Skills and CPC, you need to complete the Sign up for on-screen tests form. There is no sign-up form for any other qualification.

On-screen tests - OCR
Context. Achieving a level 2 qualification, and in particular a GCSE grade 9 to 4 or A* to C, in both maths and English helps students to progress to further study, training and skilled employment.

16 to 19 funding: maths and English condition of funding …
In the United Kingdom, the General Certificate of Secondary Education (GCSE) is an academic qualification, generally taken in a number of subjects by pupils in secondary education in England, Wales and Northern Ireland. State education in Scotland does not use GCSEs, instead its Scottish Qualifications Certificate operates National / Intermediate exams at the equivalent level, however, certain …
