Samsara Room Game Escape Walkthrough

Samsara Room: A clock. A telephone. A mirror. A chest of drawers. This room looks ordinary... but it's missing a door, which would seem to be important to the whole 'escape' focus. But this stylish and surreal point-and-click game from Studio Maarten will surprise you with its clever concepts and unique approach, even if the ending is a bit of a let down.

Samsara Room is the first game created by the Rusty Lake developers, released in September 2013. It is the precursor for the Cube Escape series, and contains similar puzzles that have been carried into the Rusty Lake games. As the player, you need to travel through the room's portal and enter several cubes in which you take different animal forms.

Samsara Room: Some religions say bad people get reincarnated as insects. We prefer to believe good people get reincarnated as bacon. But then we'd turn into cannibals and get reincarnated as not bacon. It's a vicious cycle. Samsara Room is an ethereal escape game that tackles the cycle of death and rebirth, bacon or otherwise. Can you escape reality?
